Cooper, Douglas, Picked For Top Board Post

Trustee From Pacifica Will Head JUHS Board

Trustee James M. Cooper was elected president of the Jefferson Union High School board at a special noon meeting on Monday for a one-year term. He succeeds Lyal Ingersoll. His term begins immediately. He will preside as president for the first time at a regular meeting next Monday. His selection by fellow board members was unanimous.

Other officers elected were Elio Fontana as vice president; Mrs. Anna Eason retained as clerk of the board; and Dr. Jerry Miles as trustee representative to the San Mateo County School District Committee. Dist. Supt. Edward Morgan was automatically retained as secretary to the to the board, and outgoing President Lyal Ingersoll was selected to serve as San Mateo County School Board Assn. legislative committee representative.

This is the first time since the high school district was formed in 1922 that a person who resided outside the Daly City or Colma area, has ever held the post. Cooper resides with his wife, Lydia; a daughter, Elizabeth Ann, 17, and son, James, 14, at 856 Dell road in Pacifica.

Cooper is assistant manager of the Transportation Department for the San Francisco Chamber of Commerce.

Cooper attended Oregon State College, and was graduated in 1948 from Golden Gate College where he majored in business administration and traffic management. Upon graduation, he went to work for the San Francisco Chamber of Commerce and has been there ever since.

He and his family moved to Pacifica in 1951. Mrs. Cooper is presently supervisor for cafeterias for the Laguna Salada School District. Cooper took an active part in the incorporation of Pacifica several years back. He served as the first chairman of the Pacifica Parks, Beach and Recreation Commission, and left that post after a few years, but was only recently reappointed to that board again.

He is a member of and past president of the Pacific Manor PTA and is the recipient of a life membership from that PTA unit. He is a deacon in the First Baptist Church of Pacifica. He served as area chairman for Pacifica in the 1957 Jefferson High School District bond election. In 1958-59, he was chairman for the Westmoor PTA, in 1959-60, he was vice president of the Westmoor PTA, and publicity chairman for the Westmoor-Terra Nova PTA for 1960-61.

Cooper was first elected to the board in 1959, and he was immediately appointed by the County Superintendent of Schools James Tormey to fill the unexpired term of Donald Miller, who had been elected to the Pacifica City Council.

In 1959-60, Cooper served as vice president of the board and represented the board on the San Mateo School Boards Assn. legislative committee for 1959-60. In 1961, he represented the board as trustee representative to the San Mateo County

James M. Cooper

O. Wayne Douglas

DOUGLAS IS SELECTED AS JESD PREXY

Trustee O. Wayne Douglas of the Jefferson Elementary School District, was elected president of the board for a one-year term at the board's regular meeting held Saturday morning, mainly for the purpose of reorganization according to the state education code.

Other officers elected were Dr. Donald Calvert as clerk of the board; Tom Noonan, vice president, who was also chosen as trustee representative to the nominating committee of the San Mateo County School Boards Assn. The post of assistant clerk went to Mrs. Katherine Mullen. They will serve one-year terms, also.

Douglas, 36, is a tax attorney for Standard Oil Co. in San Francisco, and a member of the California and Ohio state bars. He has practiced law in Ohio and Alaska. He received his B.A. and LLB. from Ohio State University. He served with the U. S. Army in the European Theater in World War II.

He has been a resident of Daly City since 1954. He lives at 1147 Southgate avenue, with his wife, Nara, and son, Stephen, 12.

Douglas was elected to the Jefferson Elementary School Board in the May election of 1959.

Daly City Woman Being Held On Assault Charge

A 26 year-old Daly City woman has been booked in city jail on a charge of assault with a deadly weapon on her roommate during the pre-dawn hours Thursday following an argument in their apartment.

Booked is Coleen Magorty, of 252 Santa Barbara avenue. Bail has been set at $5,000. She is scheduled to appear for arraignment at Municipal Court Northern Judicial District in South San Francisco on July 9.

According to police, Miss Magorty stabbed her roommate, Beatrice Jones, 36, with an 8-inch kitchen knife following an early morning heated argument in the kitchen of their apartment.

Miss Jones was taken to a nearby hospital where she was treated for abdomen wounds and released.

South Boundary For Jeff School Districts Stays

Southern boundaries for the Jefferson Union and Elementary School Districts will remain as is until the Christian lands are developed for subdivisions, and or Hickey blvd. is extended making a natural boundary between them and the South San Francisco Unified School District.

The present southern boundary extends in a zig-zag fashion around the Chinese cemeteries.

Meeting in Dist. Supt. Edward Morgan's office Friday to discuss a possible change in the boundaries was Dist. Supt. Richard Foster of the Jefferson Elementary School District, Morgan, representing the high school district, Supt. Charles Davis of the South San Francisco Unified School District, Al Glantz, representing the County Superintendent of Schools office, and two representatives from the San Mateo County Planning Commission.

Both the Jefferson Union High School and the Jefferson Elementary School District have the same district boundaries.

Purpose behind the meeting was, so far as the Jefferson Districts were concerned, was to acquaint the commission with the fact that when and if the Christian lands are developed fully into subdivisions, a school site will be needed.

It was brought out at the meeting that when and if Hickey blvd. was extended, and made the boundary, there would only be small portions of property that would have to be exchanged with the South San Francisco Unified School District.

The commission earlier had expressed the belief that the southern boundary should be the proposed lateral freeway connecting Junipero Serra to Skyline boulevards, but this is impossible because the elementary school district is already building a school south of the proposed lateral.

Final Rites Held For John Mosman Last Saturday

Funeral services were held Saturday afternoon for John A. Mosman, 60, husband of City Clerk Evelyn Mosman, who died early Thursday morning. Death was attributed to a heart attack.

Services were held under the auspices of Crocker Lodge 454 F. & A. M. at the mortuary of W. C. Laswell & Co.

Interment was at Golden Gate National Cemetery on Monday.

Mosman suffered his heart attack in the pre-dawn hours Thursday. Firemen rushed to his home at 1356 S. Mayfair avenue on call with a resuscitator, and applied it, but without success. He was transported to Junipero Serra Hospital where he was pronounced dead on arrival by a physician there.

He had resided in Daly City and California for 37 years, and was a native of Minnesota. He was a member of Crocker Lodge 454 F. & A. M., and the National Federation of Postoffice Clerks Local 2. He was a veteran of the U. S. Marines.

Besides his widow, he is survived by two sons, John A. and Harold A., a daughter, Mrs. Marilyn J. Fonner, and seven grandchildren.

THAT'S SOME DRAW you got there, mister, is what Lynette Fishel (Miss Daly City) seems to be thinking as she looks surprisingly at Frank James, general manager of Frontier Land in Linda Mar, and billed as "The Fastest Gun in the West," who has just showed her how fast is fast when it comes to drawing a gun. James will be a special attraction during the city's Golden Anniversary Celebration in October. He will demonstrate his speed in drawing and firing.

—Photo by Pearl.

QUICK-DRAW ARTIST SLATED FOR OCTOBER ANNIVERSARY EVENT

A special attraction of the Daly City Golden Anniversary Celebration, October 7-14, will be a daily exhibition in gun handling and gun safety by Frank James, general manager of Frontier Land in Linda Mar.

The 39-year-old ex-marine and former ranch hand will demonstrate his speed in drawing and firing a single-action sixgun and in firing and reloading a Winchester rifle.

James also will appear at the San Mateo County Fair and Floral Fiesta as a part of the Daly City Day program on August 12.

In addition to his skill as a quick-draw artist, he will demonstrate his ability to fire and reload two Winchester rifles simultaneously.

Although he often is billed as the "fastest gun in the west," James makes no such claim.

"I don't claim to be faster than anyone," he said. "All I try to show is that it takes practice to properly handle a firearm and that the most important consideration is safety."

Although James did not put on his first show until five years ago, his interest in guns dates back to his childhood on an Indiana farm.

He recalled that he used to rush through his chores at home and then run through the fields to help a neighboring farmer for the periodic privilege of cleaning an oud .44 caliber Colt revolver the farmer owned.

The farmer finally gave the gun to his youthful helper but James realized his parents would take a dim view of a seven-year-old boy having such a weapon so he kept it hidden in a woodpile for three years.

"That started me off and I've never been without a gun since," he said.

It wasn't until about 10 years ago that he began to try to develop his speed in drawing and firing.

Considering himself somewhat of an authority on firearms and nettled by the fad among many gun enthusiasts to modify stock weapons, James set out to prove that this was more of a hindrance than a help to both speed and safety.

This was the object of his first performance—a show for a Boy Scout troop. Requests came in for more demonstrations and in a short time his hobby turned into a full-time job.

Since then he has toured the Western United States and Canada with appearances at such shows as the Calgary Stampede and the Portland Rose Festival. He also has given firearm demonstrations to a number of police departments.

"The emphasis in all of my shows is on safety," he declared. "I can prove that my gun is as fast as I am and that altering any gun is a handicap and not a help to handling it."

Trustees Award Furniture Bids; Do Other Matters

Trustees of the Jefferson Elementary School District at a meeting Saturday morning awarded bids to 13 vendors throughout the country amounting to $38,717.15 for furniture and equipment for the Benjamin Franklin addition and the Education Center.

The board also awarded bids to 11 vendors, amounting to $24,393.47 to supply the Instructional Materials Center.

The board asked that a certificate of necessity be filed with the county clerk for a school site at Market street and entrance to the Crocker Estates.

In other actions the board:

Hired 68 teachers for the summer school staff.

Authorized Dist. Supt. Richard Foster to advertise for bids for a station wagon for the district's blind children class, a yard sweeper, and to extend the sidewalks in the interior courts at Benjamin Franklin School.

Authorized the resurfacing of the playfied at Garden Village School at a cost of $1,989., of which the county will pay $1,200.

Authorized the demolishing of a house at 372 Santa Barbara street, which is owned by the district.

Approved the early hiring of John Richard, upper-grade curriculum consultant by two weeks in order to prepare for pre-school meetings with new teachers. Total cost of the request is $492.

Approved the audit in the amount of $133,477.37 for the M. Pauline Brown School site.

FIVE PERCENT CUT FROM FIRE RATING

Daly City's property and business owners are due for a 5 per cent deduction in their insurance premiums as the result of the city's being dropped from a sixth class fire rating to fifth class by the National Board of Fire Underwriters.

Results of an extensive survey of the city's fire-fighting facilities and various departments, conducted during March by board engineers, were made known in a letter recently from the board to City Manager Edward Frank.

Frank said he was "pleased" that the city received a lower rating as the result of the survey, but that he was "extremely dissappointed" in that the city didn't get a lower rating than the one received. He said City Engineer William Chapman and Fire Chief Elmer Kennedy also shared his feelings.

Frank said: "The council has worked diligently in bringing up the building code standards, adding needed personnel in the fire and water departments, building a new fire department, adding more equipment, etc. In fact the city has spent $750,000 since the last survey to bring everything relative to fire protection up. I think we justified a better rating."

Frank added that he was of the opinion that Daly City now has the ability to supply water, prevent and handle any fire within the city, and compared that ability to a city with a Class 3 rating.

He also hinted that he felt many of the deficiency points received in the latest survey were not justified. "Of course, they have their own standards to go by, I presume," he said.

The board rates cities in 10 classifications. Classification 10 is the lowest classification, with Classification 1 being every city's dream of obtaining.

The board allows a city a total of a possible 5,000 deficiency points against it. This means that if a city has this many to its credit, its fire-fighting facilities are quite undersirable and inadequate and should be remedied. A removal of deficiency points by improving various items is in order. There must be a removal of 500 points in order to pass from one classification to another.

Daly City has had 615 points removed from her record since the last check by the board two years ago, going from an accredited 2,967 deficiency points. Frank says that the city will have to lose 450 points or so before its classification can be dropped to No. 4 rating.

As far as for spending so much on improving fire-fighting facilities, he said, "I feel we've lost nothing by the money we've spent in improving these facilities. I think the cost was justified."

Frank praised the work and performance of Kennedy and his department, and Chapman with the water supply department.

Nearly 1,000 items are checked by the board's engineers each time they make a survey of a city's fire-fighting facilities, according to Kennedy. Among these include the water supply department, the fire department, fire alarm system, hydrants, building laws and ordinances, reservoirs (capacity), and matters having to do with fire protection.

Services Are Conducted For B. C. Ross

Funeral services were held Friday afternoon for B. C. Ross, one of Daly City's early pioneers, its second mayor, and city clerk for a record-setting 33 years, who died last week in an Oakland Hospital as a result of injuries suffered in an auto-truck accident a few days earlier.

Services were held in the mortuary at W. C. Laswell & Co., followed by interment at Cypress Lawn Memorial Park.

He was the son of the late William B. and Clementina Ross of Daly City, and with the exception of one brother, outlived two other brothers.

Ross, who never married, is survived by a brother, Paul, of Angels Camp, who was vacationing in Montana when notified of his brother's death.

Ross was born in Montana on August 7, 1881. He and his family moved to California early in the 1900's, and moved to Daly City in 1907. Since that time, he had always lived in the same house at 1807 Junipero Serra boulevard, Daly City.

He retired in April, 1956, as city clerk after having served in that post since 1923. He was succeeded by the present city clerk, Mrs. Evelyn Mosman, who was his deputy clerk.

Ross was mayor of Daly City in 1912, and from 1912 to 1920 he was a councilman. Three years later he returned as city clerk and remained in that post until his retirement.

He had been a member of the Crocker Masonic Lodge 454 for at least 40 years.

At the final city council meeting Ross attended as city clerk, some 80 persons who had assembled in the council chambers stood and gave him a half-minute ovation. He was presented with a television set as a farewell gift by his fellow city employees.

Number Of Fires In Crocker Hills; Fireman Injured

There were no less than 11 calls on fires which broke out in the Crocker Hills during the weekend.

One fireman, Richard Verducci, of 180 Huntington st., was injured during one of the many times Daly City's fire department was called to the hills. All of the fires occurred within a reasonable vicinity of each other.

Batallion Chief Mel Hanson said there was no question about it, but that youngsters playing with matches started the blazes.

The trek to the hills began at 12:51 p.m. on Saturday, when a call came in reporting a fire just above Gambetta street. Fire was to break out in this locale three times, although four calls were made on it.

A call on the first break-out was reported at 1:14 p.m. Firemen had put out the blaze and were heading back to the station, when they were directed to go back to the locale as fire had broken out again. Hanson said he thinks the youngsters went back to the same locale after the fire department had put out the blaze, and started it all over again.

Fire trucks and men went back again at 2:11 p.m. and

$304,800 Budget Is Approved For Sanitation Dist.

A budget of $304,800 for the 1961-62 year was approved Monday by directors of the North San Mateo County Sanitation District. The budget calls for almost a 49 per cent increase over the 1960-61 budget of $205,000.

Reason for the increase is extension of the ocean outfall line by some 1,500 feet in order that

It's News To Vets

Questions and Answers

Q—My husband and I were married several times, the last time just a month before his death. Will the time of our prior marriages count toward the required five years for my pension eligibility?

A—Where a widow has been married to the same veteran more than once, the date of the first marriage is used in computing the duration of their marriage. Because of the unusual circumstances you might do well to check all details with nearest VA office.

Q—Are the VA regional offices generally located in state capitals?

A—Generally they are in the major cities of each state—which may or may not be state capitals.

Q—I have not been feeling well lately, and think I need a medical checkup. Will the VA do this for me?

A—No. The VA gives medical examinations only to determine the presence of a condition claimed to be service-connected, when needed for Government life insurance purposes, or when application is made for hospital or domiciliary care.

Q—I think an inaccuracy in my World War II service record is preventing me from getting VA benefits. How can I go about getting the record corrected?

A—Don't delay—the general deadline for this is October 26, 1961. Make written application to the service concerned, on Department of Defense Form DD 149, "Application for Correction of Military or Naval Record." You can get this form at your nearest VA office.

Westmoor PTA Committee Named

Mrs. Benjamin Pulsifer, newly installed President of Westmoor High PTA named the committee chairmen for the next school year.

The 1961-1962 committee chairmen are as follows: Roy Johnson, budget and finance; Mrs. Tony Carilli, citizenship; Mrs. Armand Carrara, health and welfare; Mrs. Anthony Contreras, hospitality; Mrs. Herbert Perlus and Mrs. Herbert, membership; Mrs. George Johnson, inside publicity; Pal Nolli, outside publicty; Mrs. Walter Baker, student activities; Albert Smith and Joseph Mahoney; ways and means; Margaret Riggs, student welfare; Mrs. Mickael Kerikas, delegate to district; and Mrs. Gene Sebastiani, parliamentarian.

Immediately following the executive board meeting, Fred Adams, program chairman started the activity arrangements for the program for the coming year. Details of the program will be announced at a future date. The attending committee members were: Mrs. Pulsifer, Glenn South, Miss Riggs, Adams, and Nolli.

Tracy, located in San Joaquin County, is reported by the National Automobile Club to be the seat of such important industries as dairying, canning, and sugar manufacturing.

MR. HOUSE MOUSE is alive and perky after 80 hours in a "life cell" where his only source of oxygen at a simulated 75,000-feet altitude was potassium superoxide. Examining the mouse, (at left), is Stan Hall, manager of Bio-Medical Systems Development of Lockheed Missiles and Space Co. in Sunnyvale. C. C. Simms, (right), holds container of potassium superoxide. One "mouse weight" of the chemical was required for each 20 hours in the cell.

State General Fund Exceeds Expenditures By More Than $13,000

General Fund revenue of the State exceeded expenditures by $13,507,944 during the first 11 months of the 1960-61 fiscal year.

State Controller Alan Cranston said the General Fund as of the end of May had received $1,476,929,886, an increase of 7.14 per cent over the corresponding period a year ago. Expenditures totalled $1,463,421,942, up 13.24 per cent from last year.

The cash balance in the fund as of the end of May was $143,991,343, compared with $155,776,833 a year ago. Cranston noted, however, that June customarily is a month of low income and heavy outgo for the State, which is expected to result in a substantial reduction of the balance by the end of the fiscal year.

Temple Judea Is Taking Enrollment For Religious School

Rabbi Robert W. Shapiro, spiritual leader of Congregation Judea of Brotherhood Way, San Francisco, now meeting in Daly City, (Westlake), announces pre-registration for the religious school of Temple Judea, is being taken now for children whose parents wish to enroll them for fall term, commencing in September.

Children of pre-kindergarten age (4 yrs. 9 mos.) and upward through grade 12 are eligible for enrollment. Membership in Congregation Judea includes religious school enrollment on Sunday mornings, weekday Hebrew school and High Holyday services. Further information may be obtained by contacting the Temple office, PL 5-6362, 95 South Mayfair avenue, Daly City.

In accordance with the many requests of members of Congregation Judea, late Sabbath Eve services on Friday evenings, 8:30 p.m., will continue throughout the summer at the Westlake Temple House, 95 South Mayfair avenue.

During the absence of Rabbi Shapiro in July, officers of the board of trustees will occupy the pulpit as guest speakers, Hillard Goldstein, second vice president of the Congregation and prominent San Francisco attorney, will speak this Friday night, July 7. Cantor Harold Wachter will officiate.

$304,800 Budget

(Continued from Page 1)

sewage might be dispersed and carried out to sea, and not back to the beach. The board is under a cease and desist order from the county pollution board to remedy the present condition.

The project is expected to take the board two years to complete, with so much being done each year, and with a certain specified amount earmarked for the work, which, in this case, is roughly $99,000. Estimated cost for the entire project has been set at $250,000.

TN INSTRUCTORS VISIT SFSC 'SHOP

Three Terra Nova High School Girls' Physical Education Instructors will visit San Francisco State College Womens' Gymnastics Workshop between July 17 and August 4.

The teachers include Miss Lois Mae Johnson, Coordinator of Girls' PE; Miss Loretta Barrious, former National Winner in Synchronized swimming, and Miss Patricia MacLeod.

Workshop Director Dr. Blanche Drury reported, "This is the first time a workshop of this nature has been offered at the college level. The program has been developed to meet the growing interest in gymnastics for girls and women. This year's program will include instruction and teaching methods in all the events currently performed by women gymnastics."

Mrs. Andrea Molnar, Hungarian Womens' Gymnastics Olympic champion, will be visiting lecturer at the workshop.

Pacifica Castle May Become Historical Site

High on the rim of a hill above Pacifica is an old (1908) castle nestled among an outgrowth of cypress trees.

An historic monument, and still in excellent condition, the castle has one drawback—the immediate access route is an impossible dirt and rock, 23-degree-grade road.

Owner Sam Mazza recently petitioned the City of Pacifica Planning Commission to allow use of the castle as a tourist attraction with admission and charges.

Director of Public Works reported possible improvement of four access routes, including the steep Mirador Terrace drive climb, as not recommended "because of the potential hazards which would be created by overloading these narrow residential streets."

Also considered by the planning commission is an opposition petition signed by 65 residents against the use of the castle as a historical monument for sightseers.

City Planning Director Mel Davis affirmed: "The commission is bending over backward to meet this problem. It is an unusual building, and we've decided to postpone action on the variance petition until Mr. Mazza can obtain an alternate solution."

A staircase from the Sharp Park Shopping Center up to the castle has been proposed as an alternate access route.

Mazza reportedly is trying to obtain approval from Oddstad Homes, Inc., owners of the shopping center development at the southern foot of the hill, to allow parking facilities for tourists wishing to visit the castle.

The castle has been advertised in a San Francisco daily recently for tourists, adults $1 and children 50 cents.

"The commission could ask him to stop the entire project," Davis said, "but he is trying to obtain an alternate solution."

Pacifica's Planning Commission will reopen discussion of the "Mazza Variance" August 7.

UCLA DEAN WARNS GRADS TO AVOID DANGEROUS BOOKS

Newly graduated college students who wish to maintain their security, self-assurance and orthodoxy have been warned by a university dean to stay away from certain dangerous books.

"Not the ones the censors try to suppress," said Dean Lawrence Clark Powell of the UCLA School of Library Service, "but those bombs in sheep's binding about such seemingly innocent subjects as whales, grass, a pond in the woods and a raft on the river."

Anyone who doesn't enjoy being "blown sky-high, or lulled to dreams, or dazzled by beauty or turned into a heretic" should shun Melville's "Moby Dick," Whitman's "Leaves of Grass," Thoreaus "Walden," and Mark Twain's "Huckleberry Finn," he warned in a recent commencement address at the University of Arizona.

"Such books slide down the throat, then explode in the stomach, whereas such obviously revolutionary books as 'Das Kapital' and 'Mein Kampf' stick in the throat, and if they are swallowed, produce indigestion from their lumpiness.

"Their time has passed. They are dead."

For the young graduate who wishes to find out if he himself is dead, Dean Powell suggests this simple do-it-yourself test:

"Pick up and read a paperback edition of 'Leaves of Grass.' If there is any life in you, the current from this book will make you spin and hum like a dynamo.

"And if you don't react to it, you are dead and don't know it, and you will live out your deadly life eactly as surveys show most college graduates to be living—subscribing to the current magazines, belonging to a book club, absorbing cultural rations along with vitamin pills, and with predigested reading matter in every bathroom."

He is a member of the association of Interstate Commerce Commission practitioners, and a registered practitioner licensed to argue a case before the ICC and Federal Maritime Board.

Number Of Fires

(Continued from Page 1)

again at 3:37 p.m.

It was during the third time they were fighting the blaze, when Verducci, who was pulling a hose through a haze of dense smoke tripped and twisted his ankle. He was rushed to Junipero Serra Hospital for treatment of a possible fracture to the right leg. He was then released, but Hanson said he will be off work for some time because of the injury.

Another fire broke out 7:35 a.m. Sunday at Bellevue and Crocker sts.

Fire east of Vista ave. in Crocker Hills sent a team of firemen into action.

Fire in the Crocker Hills broke out again on Sunday at 2:34 p.m. east of Frankfort street, which was quickly extinguished. At 2:38 p.m. another call came in that a small fire had broken out in the Crocker Hills north east of Royce Way. Firemen zoomed to that locale and put out the blaze.

Two more calls that there were grass fires in the hills east of Royce Way came in at 4:40 p.m. and 4:42 p.m. They were for the same fire. Firemen hardly had killed the fire, when another grass fire in the hills broke out at Edgemar and Mar Vista dr. near the city reservoir.

Another fire broke out in the Crocker Hills area at 7:58 p.m. Sunday at the east end of Market by the Colma School.

Fire Department Has Many Calls For Past Week

The Daly City Fire Department was a mighty busy place for about three days last week; Wednesday through Friday to be exact. For a period there they were answering calls as fast as they came in, and they were coming in mighty fast.

None of the fires resulted in heavy damage or high loss, most of them were minor grass fires. The most serious was a roof fire, the least a few false alarms.

Following is a list of calls and the time they made them for Wednesday:

8:38 a.m.—30 Westlake court. Smoke from furnace, caused by broken belt.

9 a.m.—6654 Mission street. False alarm.

10:50 a.m.—332 North Park dow, as occupants locked out.

2:06 p.m.—Grass fire at Price and Wyandotte streets.

4:06 p.m.—Grass fire at Edgemar and Lowell streets.

5:29 p.m.—906 Higate avenue. Kitchen fire caused by hot grease from pan on stove. Curtains and window frames damaged from smoke.

5:42 p.m. — Dump fire at Crocker and Scenic way. No damage.

8:40 p.m.—Grass fire at Railroad avenue and Dixon court.

Following is a list of calls and time made for Thursday:

1:22 a.m.—668 Skyline drive. Mattress and bed covers. No injuries; some smoke damage.

3:24 a.m.—1356 So. Mayfair avenue. Resuscitator call.

4:05 a.m.—252 Santa Barbara street. First aid call.

2:41 p.m.—False alarm.

3:12 p.m.—Grass fire behind 169 Miriam street.

3:12 p.m.—Grass fire behind 100 Miriam street.

3:36 p.m.—False alarm at Southgate and Northhaven streets.

3:37 p.m.—Roof fire at 361 Niantic street. Approximately $150 to $175 damage.

3:39 p.m.—Grass fire at 296 Atlanta street. Assistance to Colma given.

10:24 p.m.—Grass fire at the end of Bepler street. No damage.

Calls answered on Friday were:

11:35 a.m.—False alarm on Bellevue near Crocket street.

2:20 p.m.—Flooded basement caused by faulty plumbing at J. C. Peney & Co., Westlake Shopping Center.

Co-Owner of Harold's To Be Guest Speaker At Kiwanis Meeting

Raymond I. Smith of Harold's Club, Reno, will reveal the inside story of legalized gambling when he speaks before members of the Kiwanis Club of St. Francis, at the Red Chimney Restaurant, Stonestown, on Thursday noon, July 13.

Part-owner and manager of the world-famous casino, Smith has selected the subject: "Legal Gambling as Seen Through the Eyes of a Professional Gambler" for his topic.

Harold's Club, now celebrating its 26th year of operation, is one of the oldest casinos in Reno. Smith and his son, Harold Sr. opened the 24-hour establishment in 1935 and it has expanded with the city, now a favorite tourist area.

The 73-year-old philanthropist is still an active businessman and has a backlog of humorous tales which have unfolded at Harold's Club included in his talk.

DC Man Chosen As Bank Manager

Glenn E. Adams, of 268 Verano drive, Daly City, has been advanced to manager of the Stonestown office of Wells Fargo Bank American Trust Company.

A native Californian, Adams, 40, joined the bank staff in 1947 after his release from wartime Army service.

Well known in the Stonestown area, he served at the bank's office there from 1952 to 1959. Since then he has held the post of assistant manager at the 24th Avenue-Irving office in San Francisco.

Adams and his wife, Gertrude, have four children, Glenn Jr., 13, Linda, 11, Patrick 8, and Michael, 7.

SPEED ZONE FOR MISSION STREET WILL BE CHANGED

Speed zones along San Jose avenue, and for approximately two miles on Mission street through Daly City, are being raised from 25 mph to 35 mph, effective with the posting of new signs.

The revised zones extend from the northerly city limits of Daly City on San Jose avenue near Wilson street, to the northerly city limits of Colma on Mission near "C" street.

Recommendations for raising the allowable speed limit along these State highways, by the Division of Highways as a result of an engineering and traffic investigation, were concurred in by the local authorities.

INDIVIDUAL PIECES of rock weighing up to 22 tons are placed during construction of the Half Moon Bay breakwaters. A total of over 800,000 tons was used to protect the harbor which will be completed by the end of June. The east breakwater, above, stretches 4420 feet into the sea where it is separated by a 600 foot entrance channel from the 2620 west breakwater.

THE WEST COAST'S newest harbor is being completed at Half Moon Bay this month. The 7000 feet of breakwater, inclosing a harbor area of 245 acres, contain over 800,000 tons of rock according to Army Engineers. Facilities are now being planned to accommodate at least 450 additional boats of all classes as well as service facilities for hundreds of transient vessels.

Change For Half Moon Bay With Breakwater Project

Half Moon Bay isn't, any longer.

It's more like a three-quarter moon, now, with the virtual completion this month of the Army Engineers' $5,000,000 breakwater project. The last rock will be placed in the east breakwater the first part of July, according to Congressman J. Arthur Younger, (Rep. - San Mateo). The west breakwater was completed in October of last year.

These two broad, squat structures reach 2620 feet toward the shore from Pillar Point, on the west, and extend 4420 feet into the sea from the east. Separated by a 600 foot entrance channel, the two arms inclose a harbor area of 245 acres of water over six feet deep.

Within this bay swimmers, fishermen, boatmen, crabs, seaweed, fish and abalone each find protection—if not from each other, at least from the sea.

The project was first authorized in 1948, but not until April 1959 did the firms of Healy-Tibbitts Construction Co. of San Francisco and Granite Construction Co. of Watsonville begin work under a $4,552,000 contract for building the two breakwaters.

On this date the first of some 800,000 tons of rock, in pieces ranging up to 22 tons in weight, were placed. The rock came from a quarry near Davenport, 44 miles from Half Moon Bay, and was loaded and trucked to the site by Granite Construction Co. Healy-tibbits did the actual placement on the breakwater.

The crest of the two breakwaters is 18 feet in width and 13 feet above water at the lowest tide.

The San Mateo County Harbor commission, under the chairmanship of Rear Admiral (Ret.) Sigval B. Johnson, furnished the impetus needed to get the project underway, and has been responsible for contributing over $200,000 toward the cost.

The Commission has developed a master plan for the development of the harbor which includes a public wharf with facilities for fueling boats and handling the commercial fish catch.

Admiral Johnson said that the Commission would award a $700,000 contract this month for the construction of a 579 foot causeway ending in a concrete wharf 267 feet long. This arrangement will be "L"-shaped and both causeway and wharf will be 28 feet wide. There will be a 76 ft. by 72 ft. turnaround area on the wharf.

A major benefit of the harbor will be as a refuge for small craft during stormy weather. Half Moon Bay is now the only improved harbor along the California coast between Bodega Bay and Moss Landing Harbor, a distance of about 130 nautical miles.

The San Mateo County Harbor Commission is presently making plans for the dedication of the new harbor.

Charles Poetzl Appointed K of C District Deputy

Joseph Wilson, California State Deputy of the Knights of Columbus, has appointed Charles Poetzl, Junior Past Grand Knight of Marian Council, Daly City, to succeed James Maloney of San Mateo Council, as District Deputy of District 23, Knights of Columbus.

Charles resides at 1076 Wildwood drive, Daly City, with his wife, Dorothy, and daughter, Cynthia. He has just completed a highly successful term as Grand Knight of Marian Council, and recently was elected to serve a three-year term as a trustee of the Council.

Charles is an active member of Our Lady of Mercy Church in Westlake. The Westlake Catholic Men's Club, Era Crespi General Assembly Fourth Degree Knights of Columbus, and has been active in many community projects.

Charles holds the distinction of being the second District Deputy in Marian Council's history. The first District deputy from Marian Council was Joseph Capurro, Charter Grand Knight of the Council.

Garden Area To Be Redesigned In Time For SM County Fair

The entire outdoor garden area for the San Mateo County Fair and Floral Fiesta will be redesigned before the 27th annual Fiesta opens August 4, Eric Clough told the staff of the Fiesta's Amateur Division.

Clough, fair designer, spoke at the staff's luncheon meeting at the Hilton Inn Tuesday.

He pointed out that the new design will improve the area's attractiveness by placing the professional garden entrees, often the most spectacular ex-

Social Security Is Available To Vets For Military Service

Some or all of a veteran's active military service may count toward Social Security Benefits for himself and his family, San Mateo County Veterans' Service Officer Floyd D. Granger, said this week.

Such benefits would include monthly retirement payments, disability payments, monthly payments to dependent survivors, and lump-sum death payments to widows or widowers. Generally, veterans who had at least 90 days active service between September 16, 1940 and December 31, 1956, and whose discharge was other than dishonorable, are entitled to Social Security wage credits of $160 fo reach month of active duty.

Free wage may be available to veterans with less than 90 days service in the 1940-56 period described above, if discharged or released because of disability or injury in line of duty, and if discharged under other than dishonorable conditions. Wage credits may also be granted for those who died in active service as well as those who died after discharge, when an eligible survivor files a Social Security benefit claim.

Since January 1, 1957, members of the armed forces have been covered by Social Security in the same way as persons in civilian employment, with payments to the fund withheld from their basic pay for active duty.

There are more than 500 hotels in San Francisco.

A Half Century Ago . . .

THIS WAS ONE of four homes on the east side of the 200 block on Peoria street back in 1911, the year Daly City was incorporated as a city. This side of the block, in fact both sides of the block today are sandwiched in with homes. Fifty years ago, this home, located between Crocker and Evergreen streets, was owned by Mrs. Louise Samuelson (at left), who posed for this picture with her granddaughter, Florence Leidecker (in middle), now Mrs. Florence Thompson, 175 Irvington street, and her mother, Mrs. C. Leidecker, who now resides in San Francisco. Mrs. Samuelson's children sold the house after she died in 1933. The house is still being lived in today. It is still the same except that a garage has been built in the right foreground, in front of the two ground-floor windows.

S M County Fair Caravan To End DC's Centennial

Vehicles out of the past will add to the bustle of El Camino Real on August 12 when Daly City residents turn out en masse to attend the San Mateo County Fair and Floral Fiesta.

The "King's Highway" will be the route over which a caravan, headed by a stagecoach carrying Mayor Robert B. St. Clair and Daly City's two queens, will travel from City Hall to the San Mateo County Fairgrounds.

The stagecoach passengers, however, will receive an assist not available to regular travelers of the era they will depict.

When the coach leaves City Hall it will be pulled by a team of horses. But to speed up the line of march, the horses will be unhitched in Colma and loaded into a modern van.

The van will pull the coach to San Mateo, where the team will be unloaded and hitched up again for a grand entrance to the Fairgrounds.

The caravan, which will include a lineup of vintage automobiles provided by the Daly City Horseless Carriage Club, and the day's program at the Fair will call attention to Daly City's Golden Anniversary Celebration, October 7-14.

It will arrive in early afternoon and will be followed by a demonstration in quick-draw artistry and firearm safety by Frank James, general manager of Frontier Land in Linda Mar.

James, who is billed as the festest gun in the West, will appear immediately before a concert by the Daly City Municipal Band.

He will arrive at the Fairgrounds in full Western regalia as the outrider for the stagecoach caravan.

The special Saturday program will climax a week-long display of Daly City's "Century of Progress in Half the Time," which will be featured in a booth at the fair.

Lynette Fishel, Miss Daly City, and Mrs. Melford Battye, Mrs. Daly City, will participate in the nine-day program and will be featured passengers in the caravan.

"We are proud of our achievements in Daly City and we plan to exploit every opportunity to call them to the attention of the thousands of people attending the fair," Frank Pacelli, executive chairman of the Golden Anniversary Celebration, declared.

"We think we have a program that will be of interest to all ages and we hope to invade the Fairgrounds with the largest delegation any city in San Mateo County has ever assembled."

160 Groups Reserve Seats For Ice Show

Ice Follies parties are more popular this summer than ever before among Northern California clubs, employee groups and service organizations.

More than 160 groups—an all-time record—already have booked reservations for the glittering new Silver Jubilee Edition of the Shipstads and Johnson skating spectacular, now playing at San Francisco's Winterland.

That means, according to Dan Kagel, the assistant general manager of Winterland, that some 55,000 spectators from Bakersfield to the Oregon border will see the Ice Follies in congenial groups of a few hundred to several thous-

Sgt. Kenneth Jacobsen Stationed On Okinawa

Serving with the Third Marine Division on Okinawa in the Pacific is Marine S/Sgt. Kenneth L. Jacobsen, son of Mr. and Mrs. Ael E. Jacobsen of 744 Moana drive, Pacifica.

The division recently returned to Okinawa after completing their phase in the largest combined amphibious-vertical assault eercise in the history of the Southeast Asia Treaty Organization (SEATO).

North County Men Sail On Naval Cruise

More than 325 Naval Reserve officers and enlisted men from Northern California sailed from the Bay Area recently for their two-week training cruise off San Diego and Portland.

Among North San Mateo County men on the cruise are Lieutenant Commander James P. Witt,, 149 Westvale street, Daly City, and:

Peter D. Stewart, GM3, 141 Park Plaza drive; Robert L. Riley, RDSN, 363 Willits street; King R. Cevaloni, SM2, 340 Lake Merced boulevard; Robert L. Gleeson, SKC, 18 Rockridge avenue, all of Daly City.

James A. Kummer, SM3, 372 Cortez way, and Lloyde A. Willmschen, 256 Village way, both of South San Francisco; John F. Chisum, SM1, 89 Dorchester drive; Charles E. Dietrich, 1C3, 841 Hanover street, and Donald P. Noyes, SK3, 32 Belmont drive, all of Daly City, and

Williard J. Patrick, Jr., MM3, 515 Edgemar avenue; James C. Smith, 789 Arguello boulevard, both of Pacifica.

Letters To The Editor

Understanding Due; Organizations Are Not The Same At All

Dear Editor,

It has come to our attention that an organization known as Guide Dogs Foundation for the Blind, Inc., of Forest Hills, New York, has been flooding the Bay Area with brochures requesting donations.

Because of the similarity of the names we have had many telephone calls from persons interested in our school asking i. there is any connection between the two schools. There is not.

Our concern is that this organization does not and, to our knowledge, has never serviced this area at all. We feel that it is important for people to know that any gifts to that organization, using in its name the word "foundation," will not go to our organization in San Rafael and, consequently, will not help the blind in the Western states.

We hope that you may be able to use something on this. It is not our intention to belittle the other organization in any way. We are only interested in clarifying the understandable confusion.

Sincerely,
GUIDE DOGS FOR THE BLIND, INC.
Pat Jones
Public Relations Director

Dear Editor,

On behalf of the Board of Trustees, faculty and students, I would like to publicly thank your newspaper for the excellent coverage extended to our district during the 1960-61 school year.

I can assure you that the articles written about our district have resulted in a more enlightened citizenry which in turn has materially benefitted our boys and girls.

Sincerely yours,
Edward D. Morgan
District Superintendent

MANY BOY SCOUTS AT CAMP ROYANEH WORK FOR AWARD

Many Boy Scouts at Camp Royaneh will be working on their God and Country Award this summer. Under the guidance of the Rev. John Clinton Jones, Protestant resident chaplain at the camp, they will begin formulating their "Rule of Life," offer the blessing at meals, assist at worship services and learn more about the Bible and about their own respective denominations.

Reverend Jones, who is working through the Church and Scouting Committee of the San Franciso Council of Churches, will also counsel the boys in their personal problems, including homesickness, and visit those in the infirmary. He will conduct Sunday workship services in the outdoor chapel at the camp.

According to the Rev. Charles Johnson, chairman of the Church and Scouting committee, 30 Protestant Churches in the city sponsor Boy Scout troops. Many of these will be represented at the camp during the summer months.

New W'lake Building Nears Finish; Home Mutual Opens

Westlake's newest building, The Westlake Executive Office Building, located at the corner of Southgate and Park Plaza drive, was virtually completed this week with the opening of Home Mutual Savings & Loan Company. The savings and lending institution was the first of the buildings' tenants to open their doors, and work on the other offices is being rushed to completion.

The gold and blue mosaic tile, aluminum trimmed structure, built to modern lines, will also be the new Daly City home of Pacific Gas and Elecrtic Company. They will move to their new offices there later this month. Additionally, California Pacific Title Insurance Company, now situated in the Shoppers Arcade of the Westlake Shopping Center, will move to the new building.

The Westlake Executive Office building is a two story structure. It is planned that the upper levels will provide space, mainly, for insurance offices. The insurance companies coming into the new building will be announced in the very near future.

Like all other Westlake commercial buildings, this one was designed, planned and constructed by the Doelger organization.

NEWEST BUILDING in the Westlake Shopping Center is the Westlake Executive Office Building, which nears final completion. Principal tenants of the new structure are: Home Mutual Savings & Loan Association, Pacific Gas & Electric Co., and California Pacific Title Insurance Co. Home Mutual and California Pacific Title previously occupied smaller headquarters in Westlake, while PG&E is transferring local operations from its former office on Wellington avenue in Daly City.

OFFICIATING at Grand Opening Ceremonies of Home Mutual Savings & Loan Association's beautiful new, enlarged Westlake-Daly City office are (l. to r.) Pete Markovich, manager, Daly City Chamber of Commerce; Rudi Richter, president, Westlake Merchants Association; Robert Cluff, manager, Westlake office, and Edward Frank, city manager of Daly City.

Mr. House Mouse Is Vital In Artificial Air Tests

A Mus Musculus is a nuisance in any home. He makes women screech and jump up on chairs!

But, not at the Lockheed Missiles and Space Co. in Sunnyvale. Here, at the company's Bio-Medical Systems Development, Mr. House Mouse has VIP status. He has the leading role in an experiment which could revolutionize the design and minimize the cost of a "life cell" enabling men to live in space!

Actually the mouse doesn't do much. He moves around in a closed cylinder, nibbling occasionally on a piece of apple. But, he breathes and because of that process — plus potassium superoxide—he stays alive in an atmosphere as fresh as the outdoors.

In the first experiment, the ounce-size, 85-cent pet store mouse spent 80 hours in the test chamber without "fresh air." No harmful results were apparent. One hundred grams of KO-2—potassium superoxide —converted the carbon dioxide and water vapor products of the rodent's breath in the cylinder to oxygen. The KO-2 was activated, only as needed, when water vapor and carbon dioxide were provided by the mouse as it breathed.

"Converting carbon dioxide to oxygen by this process isn't new in the mine safety field. But, its application to keeping orbiting astronauts alive may rate as a real 'break-through,' and a money-saving one at that," said Stan Hall, manager of Lockheed's Bio-Medical Systems Development.

Hall commented that many researchers claim that potassium superoxide is too unstable for use in a life support system. Unless controlled, too much oxygen might be released, resulting in pressure build-ups which could not be tolerated.

Lockheed scientists and engineers overcame this potential obstacle with a precisely-designed regulator which "bleeds" off any excess pressure. Design of the device was dictated by the metabolic rate of the cell's occupant and the desired pressure to be maintained.

The experiment was conducted in a vacuum chamber at a simulated altitude of 75,000 feet. Temperatures and pressures in both the vacuum chamber and the life cell were watched and recorded during the entire course of the experiment.

The simplicity of the mouse-tested life cell affords a much higher degree of reliability than complicated mechanical systems. The chemical is contained in a cartridge surrounding the cell. The experimental cell is a perforated aluminum alloy cylinder with a diameter just large enough to allow the mouse to turn around. The controlled feeding compartment is in one end.

About one "mouse-weight" of potassium superoxide was required for each 20 hours in the cell. For a 150 pound man, this would mean about 47 pounds of the chemical to sustain him for the same period.

DC'S SYSTEMATIC SAVINGS, LOAN SHOWS INCREASES

Systematic Savings & Loan Association real estate lending activity during the first six-month period, ending June 30, showed a marked increase over last years totals, it was revealed today by William Beeson, Managing Officer.

The number of loans made during the six-month period totaled 64, which represented a dollar volume of loans over $758,925.00.

Beeson stated that lending for new construction is estimated at $51,000 while loans on existing dwellings are estimated at $707,925, and refinancing and other loans came to $338,600.

Systematic Savings is located at 7070 Mission Street, Daly City.

The current rate of 4½% per annum is paid semi-annually on all savings accounts Systematic Savings, and each account is insured to $10,000 by the Federal Savings and Loan Insurance Corporation.

TAVERN BURGLAR CASE CONTINUED

Theodore Amirkhan, 22, of San Carlos, accused of burglarizing Duffy's Tavern at Mission and Knowles street of $77 recently, had his case held over until July 11 at 10 a.m. He was supposed to appear on June 29 in South San Francisco Municipal Court.

Amirkhan is said to have been a customer in the bar at the time, he broke into the store room, alledgedly stole the money, and later on, came back to continue drinking. He was arrested the following day at work.

Broadmoor Legion Drops Two Games

Broadmoor Post 824 lost to Redwood City Post 104 twice over the weekend, 6-5 and 11-2, in the American Legion Peninsula League.

Winless Broadmoor received good pitching from Jerry Gorlick in the first contest before being relieved, and in the second game Redwood City collected 15 hits.

New Federal Tire, Tube Tax Announced

District Director of Internal Revenue, Joseph M. Cullen, today called attention to the Floor Stock Taxes imposed by the Federal Highway Act of 1961, which is expected to be enacted into law by July 1, 1961.

These taxes will be two cents a pound on tires for highway vehicles; one cent a pound on all inner tubes, except for bicycle tires; and two cents a pound on tread rubber.

This tax will apply to the floor stocks of these items held as of the first moment of July, 1961. A return must be filed on Form 3174 and the floor stocks tax paid on or before October 15, 1961, he said.

Home Mutual Assets Rising To New High

Home Mutual Savings and Loan Association, largest in San Francisco, reports assets have risen to $130,671,332.05 as of June 30.

According to Sherman Miller, executive vice-president, this is a new high for the 76-year-old savings institution, which operates five offices in the Greater San Francisco area.

Rec Dept Starts New Summer Basketball

Daly City's Department of Recreation opened its two-division summer teen-age basketball league recently at the War Memorial Community Center Gymnasium (Lightweights) and the Westmoor High School Gymnasium (Unlimiteds).

Game times are at 7:15 p.m. each Monday and Tuesday for the six-team divisions.

The Redmen opened the lightweight division with a victory over the Panthers, 30-24, with Larios scoring 16 for the winners. Howard Manipis scored 11 for the Panthers.

Del Sarto of the Utes came within one point of sharing in his team's win over the Stars, 30-22. Tolomer of the Stars scored 12. Tito Torres tallied 11 markers to lead his Stripes over the Cougars, 42-21.

In the Unlimited Division, the Apaches won a forfeit over the Seahawks, and took an "exhibition" victory, 39-15. Brush of the Apaches was high with 17 points.

The Giants won over the Lions, 62-22, with Gary Mendoza scoring 13, Garry Allard 12, and Mike Frank 10. Dennis Caruthers hit 12 for the losers.

M. Daniels scored 11 and Steve Payette and Tom Smith both tallied 10 as their 49ers shaded the Cherokees, 34-21.

Our Redeemer's Cites Enrollment Sunday School High

Kenneth Moe, superintendent of Our Redeemer's Sunday School of South San Francisco announces the highest enrollment of pupils in the church's history.

Organized in 1954, the Sunday School started in a store building in the Southwood Shopping Center. Enrollment now totals 346 students.

Classes begin at the age of three and are also conducted for high school students. Adults may attend the Adult Bible class while students are in Sunday School. Adult class is taught by Conrad Reisch.

Sunday morning services are at 8:30 and 11 a.m.

GRAND OPENING

Home Mutual Savings opens its magnificent, new, enlarged Westlake-Daly City office at 5 Southgate Avenue in the Westlake Shopping Center. Come join in one of the most exciting Grand Opening celebrations in Westlake's history.

Limit one gift per family. Limited supplies some gifts . . . first come, first served. Gifts available only at Westlake-Daly City Office.

MR. HOME MUTUAL
symbol of our 76 year tradition of safety and personal service

Mr. Home Mutual says:
Here's Why San Francisco Prefers:
HOME MUTUAL SAVINGS

- **Higher Earnings:** Your Home Mutual Savings insured account earns 4½% current annual interest, a full 50% more than paid by 3%- interest institutions.
- **Absolute safety:** Just like 3% institutions, your account is insured to $10,000 by a permanent agency of the United States Government in Washington, D. C.
- **Greater strength:** Home Mutual Savings' strong reserves of over $10 million, largest of any San Francisco-headquartered association, are more than double legal requirements. Resources over $125 million.
- **Peace of mind:** A perfect record of 151 consecutive interest payments. For over three-quarters of a century, our savers have never lost a single penny.

STATE WILL PLANT, REPLACE TREES BY MANY FREEWAYS

The inauguration of a new program of planting and replacement of trees along existing and newly constructed freeways was announced this week by State Director of Public Works Robert B. Bradford.

The tree planting program, which will be in addition to the landscaping and functional planting carried on by the Division of Highways for many years, won the prompt and enthusiastic endorsement of Governor Edmund G. Brown.

Bradford said that the new tree planting policy was recommended by State Highway Engineer J. C. Womack and approved by the California Highway Commission. The first allocations for tree planting projects are expected to appear in the State Highway Budget for the 1962-63 fiscal year, which the Commission will adopt this fall.

Cost of the tree planting will vary from $100 to $2,500 a mile, depending on the areas involved.

"The tree planting will be particularly valuable," Bradford said, "where a freeway traverses a rural area in which many existing trees have had to be removed from the right of way during construction."

The new program envisions the planting of trees that will fit into local conditions and will not involve maintenance beyond watering them for a year or two.

Governor Brown, in commenting on the new program, called it "another step in the continuing effort to make our State highways beautiful as well as safe and efficient."

DC ARTIST HAS EXHIBIT SHOWING AT NEW LIBRARY

Paintings by Mrs. Ester Bergstrom, a well-known Daly City artist living at 130 Peoria street, are featured in a "one-man exhibit" in the Coral Room of the new Daly City Public Library at 275 Southgate, during the remainder of this month.

Mrs. Bergstrom's works include water colors, gouaches, and paintings in oil, ink and enamel. They have appeared in similar ehibits in the public libraries at Martinez and Concord and in a number of group shows, including that of the Society of Western Artists during its 1961 showing in the De Young Museum, the Artists' Cooperative Exhibit in San Francisco, and in an exhibit of the Pacifica Art Guild. Mrs. Bergstrom has studied with Warren Brandon, artist and teacher of San Francisco, and with Donald Carlson, art instructor at the Jefferson Unoin High School District, Adult Evening Classes.

According to Samuel Chandler, Daly City librarian, this exhibit is one of several planned for Daly City's new library. "It is our pleasure to be the host to our local artists," Chandler said. "For a long time, other libraries in this area have added to the culture of their communities with similar exhibits. This exhibit is the second for our library. The first featured the wood carvings of Roy Alsterlind of 321 Vernon street."

The public library is open from 10 a.m. to 9 p.m. Monday through Friday, and from 10 a.m. to 5 p.m. on Saturday.

WORK DAY SET FOR ST. PAUL'S MEN

The monthly breakfast meeting of the Methodist men of St. Paul's Methodist Church, South San Francisco, will inaugurate a work day on Saturday, July 8, at 7:30 p.m.

President Sam Steinert announces a program of painting and repairing to include painting of window sashes, mending fragile sliding doors, installing shelves in basement for storage, clean-up basement and store rooms, and testing firehoses. This work will be done in conjunction with the board of trustees, Mr. Norman Hynding, chairman.

Church office hours: 9:00 A.M. - 12 noon, Monday through Friday. Phone JUno 3-6757.

Worship Services: Sunday, 9:30 and 11:00 A.M. Nursery care provided during worship services.

Church School: Sunday, 9:30 A.M. Classes for all ages.

Sermon Topic, July 9: "THE ETERNAL QUEST."

DC HOUSEWIFE IS GUEST ON 'HOUSE PARTY'

Mrs. Jeanne Mahan of 19 Eastgate drive was guest on Art Linkletter's CBS tv and radio show "House Party" in Hollywood on Monday.

Mrs. Mahan was introduced by Art Linkletter to his guest, Jack Webb of "Dragnet" fame. Jack was at the House Party to say hello and answer any questions that the visitors might have.

Mrs. Mahan stood up and asked him, "Are you ever going to have another program like Dragnet?"

"I'm working on something right now, but it won't be a detective show"—replied Jack.

Mrs. Mahan thanked him, and received a small household gift from Art Linkletter as a memento from "House Party."

DC GIRL GRADUATES FROM NURSES SCHOOL

Patricia Stevens was recently graduated from the Dental Nurses College of California in San Francisco as a qualified assistant, following a four-month course.

Patricia Stevens

She is a graduate of the 1958 class of Balboa High School.

Patricia is the daughter of Mr. and Mrs. W. Stevens, 136 Flournoy street, Daly City.

SQUARE DANCE GROUPS HOLDS WEEKLY MEETS

The Gingham Squares of South San Francisco hold a square dancing workshop every Wednesday evening from 8 o'clock to 10:30 o'clock at the Thomas Edison School.

Spectators and experienced square dancers are welcome to visit. Free coffee is served on the first Wednesday of each month.

ENROLLMENT FOR SCOUT CAMPING SEEN AS HIGH

On the basis of early reservations, a record camping season was predicted this week by Earl F. Schmidt, Jr., scout eecutive of the San Mateo County Council, Boy Scouts of America.

"We are in the fortunate position of having three Council camps, which means we can offer a boy a full camping experience ranging from 'tenderfoot' to 'High Sierra' type camping," stated the Scout Executive.

Camp Pomponio, the 160-acre camp, near La Honda, will have four camping periods, beginning July 16 and ending August 12. Troops camping with their own leader will go for the fee of $26 per camper for the week; or the individual boy may go under Council leadership for $29 per week.

The Scout camp in the Mother Lode, the 200-arce Camp Ed Barrer, located near Avery, California, on Highway 4, above Angels Camp, will be open from July 9 to August 5. All camping is under troop leadership and the fee is $20 per camper for the week.

The High Sierra camp, Camp Kit Carson, is located on Twin Lakes, on Highway 88, just below Kit Carson Pass in the Sierra Nevada range. Since many units use this camp as a base for hiking theks, all camping must be under troop leaders, at a cost of $20 per camper for the week. Kit Carson opens July 16 and runs through August 12.

This summer it is anticipated that 170 boys per session will enjoy camping at Camp Pomponio; 90 campers per session at Camp Ed Barrer; and 75 boys per session at Camp Kit Carson; plus several units planning Off-Council camping trips.

GET ENTRY IN EARLY, FAIR EXHIBITORS TOLD

Much of the $89,000 being offered in cash awards in this year's San Mateo County Fair and Floral Fiesta will go unused if would-be exhibitors wait too long to mail in their entry forms.

Mrs. Annabel Rainie, in charge of the Fair's Home Economics division, pointed out that these forms must be in the Fiesta office by noon, July 18.

"Premium schedules and entry blanks have been mailed to all who have requested them," she said, "but anyone else who would like to enter should call me at the San Mateo Fair office."

The three divisions in the senior department, open only to San Mateo County residents, are competitive and winners of first, second and third place awards will receive cash awards in addition to their ribbons.

"We will be receiving the entrees in the clothing and textile divisions, and the preserved foods between 1 p.m. and 9 p.m., Tuesday, August 1," Mrs. Rainie said, but baked goods entries will not be received until Friday, August 4, before 10 a.m.

The San Francisco Cow Palace with a seating capacity of 10,879 was the scene of the 1956 Republican National Convention.

PENNY CARNIVAL

Thursday, July 6 — Penny Carnival — Crocker School, Frankfort Park, George Washington, Lincoln Park.

Friday, July 7 — Surprise Day — Colma School, Edgewood Park, Marchbanks Park, Vista Grande School, War Memorial Community Center, Woodrow Wilson.

Thursday, July 6 — Beach Outing — Ben Franklin School, Olympia School, Garden Village School, Westlake Park, Westlake School.

Friday, July 7 — Trip to the Zoo — Daniel Webster School, Thomas Edison School, Northridge Park, Palisades Park, Vista Mar School, Westmoor High School.

Saturday, July 9 — Teen-age Outing to Santa Cruz Beach — 8 a.m. to 8:30 p.m.

A UNITED Crusade Agency, the Peninsula Council of Camp Fire Girls, reports a total of 1,000 persons attending the two sessions of Day Camp held at Huddart Park in Woodside. "Festival of the Orient" is the theme this year. Pictured above are Joan Foppiano of 705 Beechwood drive, local Camp Fire Girl, who is being assisted for the evening program by Donna LeBlanc from San Bruno.

Holy Angels Guild Plans Cruise Dance For September 30

Elaborate plans are underway for the Bay Cruise dance to be sponsored by the Holy Angels' Women's Guild. If you have ever had the urge to dance the hours away to an ocean spray, then September 30 is the date to remember.

"Orchids in the Moonlight" has been selected as the theme and free orchids shall adorn the ladies as they board ship.

"Orchids in the Moonlight" has been selected as the theme and free orchids shall adorn the ladies as they board ship. Aboard one of the Harbor Tours luxurious boats, Walter Tolleson and his musicians will accompany the dancing from the hours of 9:30 p.m. to 12:30 a.m. Refreshments will be served; the price of tickets is $7.50 per couple. An advance ticket sale is now in progress.

For information or reservations call Mrs. Stuart J. Lockie, PL 5-0195; Mrs. Robert Gordon, PL 6-4945; Mrs. John Torres, PL 6-7054; or Mrs. Daniel Darragh, PL 5-6121.

The proceeds from the cruise will be put into a parish scholarship fund.

Bethel 198 Takes First Place In Drill Contest

The drill team of Bethel 198, National Champions of 1960, won first place again at Grand Convention June 24 at Sacramento.

The team members are as follows: Linda Long, captain; Janice Garretson, first lieutenant; Janice Keith, second lieutenant;

Sue Kirschner, Mary Lee Woodman, Judy and Cindy Krueger, Janice Budge, Joan Jacobson, Carolyn Dennis, Yvonne Felch, Judi Willoughby, Pam Wingate, Margie Felser, Pat Payne, and Linda Mc Gowan, are team members.

The girls and their chaperones stayed at the Capitol View Motel four days. They also competed in the Redwood City Fourth of July Parade.

BLINDNESS

"Blindness is democratic," says M. Robert Barnett, Executive Director of the American Foundation for the Blind. He adds, "It is a disability that cuts across all age groups from infancy on and is found in persons of varying levels of intelligence."

Unsurpassed quality does not mean high prices

Despite Gray's reputation for excellence, prices are very reasonable.

HENRY DOELGER said, in signing the H. Liebes agreement recently, that negotiations are now under way for a number of other downtown stores which are planning Westlake locations. An announcement regarding their openings in Westlake will be made soon. Shown (l. to r.) are: U. R. Kendree, managing director, Westlake Shopping Center; B. Poncetta, vice-president Henry Doelger Builder, Inc.; Samuel Blatteis, realtor representing H. Liebes Co.; Lloyd Liebes, vice-president and merchandise manager, H. Liebes Co.; Hartford Rapp Jr., realtor representing Doelger; Henry Doelger, president Henry Doelger Builder, Inc., and Sidney Liebes, president of H. Liebes.

H. Liebes Co. To Open Store In Westlake—Spring Of 1962

Early Spring, 1962, will see the Westlake opening of the newest branch of H. Liebes, the San Francisco fashion store that originally opened in 1864 with Paris-styled furs for the wives of the '49ers. Over the years, the store has become a complete apparel shop for women and children.

An agreement on terms of lease was announced yesterday by Henry Doelger, Westlake builder, and Sidney Liebes, president of H. Liebes. The new H. Liebes store will be located on the central plaza, across from a series of small specialty shops, and close to the mammoth food center. The building will complete the enclosed area around the plaza and will be architecturally in keeping with the other stores, although special effects will be achieved through design changes being made by Westlake architects.

Negotiations for Liebes were conducted by Blatties Realty and Roy Van Vliet; Hartford S. Rapp, Jr., acted for Doelger. Ground-breaking ceremonies have not been announced.

According to Lloyd Liebes, vice-president and merchandise manager, the new 14,000 square foot branch will have stocks particularly planned for the area in which it centers. A complete children's shop carries everything for infants through sub-teens. The Deb Den, a famous H. Liebes haven for young fashion enthusiasts, features sportswear, suits, coats, and dresses. The women's shops will carry complete selections of merchandise featured in the San Francisco store, with all types of sports, daytime and evening wear in stock. Not forgetting their original stock, H. Liebes will also carry a selection of fine furs in the branch store. Shoes of all kinds, from barefoot thongs through the most glamorous evening slippers, and hats to delight every woman will be shown. Important, too, is the complete beauty salon, a branch of the one in the San Francisco store, with high fashion coiffures and custom cuts a specialty.

ADAMS-LADNER WEDDING HELD AT OLM CHURCH

Our Lady of Mercy of Westlake was the scene of the recent marriage of Patricia Adams to L. Bruce Ladner. The couple recited their vows in the church decorated with gladiolus and stalks, and then departed for a honeymoon in the north.

The bride, daughter of Mr. and Mrs. David K. Adams, of 94 Brooklawn avenue, wore a floor length gown with chapel length train, and a double crowned "bridal cake" veil. She carried orchids and stephanotis.

She is a junior at San Francisco State College, and a member of Alpha Omega Sorority there. She is a graduate of Westmoor High School.

The benedict, son of Mr. and Mrs. Joseph Ladner, of 17 Westdale avenue, attended Westmoor High School and Heald's Business College.

Officiating at the wedding was Rev. Richard Power, pastor of Our Lady of Mercy.

Matron of honor was Mrs. Phyllis Fay Jones, sister of the bride.

Bridesmaids were Nancee Buchanan, and Frances Rogers. Flower girls were Susan Jones and Debbie Rogers. The bridesmaids wore frocks of jade green chiffon over taffeta, with matching veils and shoes. The flower girls wore pale yellow nylon with lace trim frocks, and carried yellow carnation bouquets.

Best man was Ross Horton. Ushers were Charles Parker and Robert Spediacci. Ring bearer was Clifford Parker. The bride was given in marriage by her father.

A reception at Fox Hostess House followed the nuptials. The couple plan to live at the Empress Apartments in Westlake.

SF Funeral Home In 112th Year; One Of Oldest

This week marks the start of N. Gray & Co.'s 112th year in business. One of America's oldest funeral directors, the pioneer San Francisco firm has provided memorial services for many of the West's leading citizens.

Like other businesses that started in San Francisco's turbulent Gold Rush days, N. Gray & Co. had a modest beginning. Nathaniel Gray, who founded the business, started with a two-room wooden building, the front of which was the "funeral parlor" and the back a carpenter shop for assembling and polishing the caskets which were shipped dismantled from the East.

The hearse was a wagon covered with black cambric and drawn by two mules. From this humble start the firm became one of the largest of its kind in Northern California with two complete establishments in San Francisco and one, under the name of Crosby-N. Gray & Co., in Burlingame.

N. Gray & Co. is one of the few firms of comparable age that is still managed by descendents of the founder. Kendrick W. Miller, present head of the company, is a great-grandson of Nathaniel Grey.

OPTIMISTS CLUB TO SEE COMEDIANS

Comedy team Ed and Betty Keen will provide funny bone entertainment for the Lake Merced Optimists Club at their luncheon meeting on Tuesday, July 11, at Westlake Bowl.

The couple have toured the nation playing at various supper clubs and night clubs, and recently completed a stint in Las Vegas.

Program chairman is Charles Maroosis of Westlake Jewelers.

Disabled Vets Urged To Keep Records Up

Veterans with "rated" disabilities of 50 percent or more were cautioned this week by San Mateo County Veterans' Service Officer Floyd D. Granger not to let their official family records get out of date. For these veterans, an increase in number of dependents means an increase in compensation payment.

Under the terms of Public Law 86-490, passed by Congress a little more than a year ago, additional compensation on account of dependents is payable from the effective date of the 50 percent or higher rating, "provided the basic proof of dependents is received in the Veterans Administration within 60 days from the date of notification of such rating action."

Another law (PL 86-499) authorizes additional compensation for more than three children. If the veteran's 50 percent or more disability rating is due to "peacetime" service, the additional compensation rates are 80 percent of the amount payable for wartime service-connected disability.

In any case, it is a good idea for such disabled veterans to contact the local Veterans' Service Office, located at the Courthouse, Redwood City, California, for help in reviewing their compensation entitlement. The telephone number is EMerson 9-1441, Ext. 221.

The service officer also pointed out, in the same connection, that veterans who enter VA hospitals for treatment of service-connected disabilities do not have their rate of compensation raised to 100 percent automatically. A veteran's compensation may be raised to 100 percent only if he undergoes major surgery for a service-connected disability or has a major joint immobilized, or if he is confined to the hospital with an organic ailment for more than 21 days.

Alumnae Choose October 7 For Fashion Luncheon

The Presentation Alumnae have chosen Saturday, October 7, for their annual Luncheon-Fashion Show ("European Enchantment") to be held at the Olympic Country Club, Lakeside.

Fashions will be presented by the City of Paris and modeled by members of the Presentation Alumnae.

This affair is being held for the benefit of the Sisters of the Presentation. Miss Fran Gregg is chairman of the event and Miss Joanne Gabrielsen, co-chairman.

PG&E MOVES TO W'LAKE LOCALE; PAY AT McGRAWS

To better serve an area now including more than 25,000 accounts, Pacific Gas & Electric Company's Daly City office has been moved to new and larger headquarters at 11 Southgate avenue in Westlake, Manager Joseph Rohl announced this week.

The change, Rohl noted, came almost on the 28th anniversary of the establishment of the former office at 12 Wellington avenue, opposite City Hall, on July 1, 1933. The same office telephone, PLaza 6-5600, will be in use.

Customer service will be retained in the old area by a pay station which PG&E has opened at McGraw Bros. Pharmacy, 6300 Mission street, at Hillcrest. The pharmacy will be open from 9 a.m. to 10 p.m. week days, and from 10 a.m. to 9 p.m. Sundays and holidays.

The Daly City office is headquarters for the communities of Daly City, Colma and Pacifica and the intervening unincorporated areas. PG&E pay stations are maintained at Linda Mar and Pacific Manor for Coastsiders' convenience.

Misunderstanding of these requirements may work a hardship on the family of a veteran who mistakenly assumes that his hospitalization means total disability compensation payments.

Paul Archer Is Taking Part In Boy Scout Confab

14 year-old Paul M. Archer, of 132 Bruno avenue, Daly City, an explorer scout from Post 77, this week is participating with 1400 southwest and western youth in developing insight into America's national purpose, and obtaining an understanding of forces seeking to destroy liberty and justice.

The gathering is being held at the Naval Air Station in San Diego. Paul is one of many who will represent the San Mateo Council of the Boy Scouts of America.

The Explorers during their three-day stay will live aboard two aircraft carriers, the USS Bennington and the USS Lexington.

The program has been planned and is being conducted by the young men themselves, with representatives from California, Utah, Arizona, Nevada, and Hawaii. This significant conference, one of 12 being held in all parts of the nation this spring and summer, begins an effort by America's teenagers to meet the need they see for re-strengthening of morals in the United States.

The Explorer Delegates have planned a three-day program which emphasizes vocational exploration, citizenship responsibilities, and Explorer methods. The program in each of these areas is highlighted by an outstanding speaker. In government, Congressman David King of Utah; science, Dr. Clifford Cummings, Director of Lunar project, Jet Propulsion Laboratories, California Institute of Technology; exploring, Dr. Joseph A. Brunton, Jr., Chief Scout Executive of the Boy Scouts of America. Mr. J. H. Browne, National Director of Exploring, Boy Scouts of America, will give the address on new Exploring program methods.

In addition to these presentations, the Explorers will be guests of honor at Recruit Graduation Ceremonies at the San Diego Naval Training Center, hold a Banquet at the famous Hotel Del Coronado, see demonstrations of Navy and Air Force Fire Power and Underwater Demolition; and have a swim in the ocean.

PG&E TO BUILD BIG ATOM PLANT AT BODEGA BAY

One of the largest atomic power plants in the world will be built by Pacific Gas and Electric Company at Bodega Bay, on the Sonoma County Coast 50 miles north of San Francisco.

Plans for the project, to be called Bodega Bay Atomic Park, have been announced by PG&E President Norman R. Sutherland. He said applications to the U. S. Atomic Energy Commission and the California Public Utilities Commission for permission to build the plant would be made as soon as possible.

The Bodega Bay atomic installation will have an electric generating capacity of 325,000 kilowatts, powered by a boiling water reactor. That capacity is enough to serve a city of 500,000 population.

Men Entitled To Early Rights For Social Security

The new amendments to the Social Security Law, signed by President Kennedy recently, give men early benefit rights similar to those women have had since 1956.

The change applies to men between 62 and 65 years of age, and is designed especially to help those who are unable to find employment because of their age or poor health.

A man now 62 to 65 years of age can start receiving benefits with the month of August. But if he retires before he reaches age 65, the monthly amount of benefit paid to him is reduced. He will continue to be paid the reduced amount even after he reaches 65.

Dependent widowers and the dependent fathers of workers who have died also can get benefits at age 62. Their benefits, like those of widows and dependent mothers, are not reduced.

For men who retire early, the amount by which their benefits will be reduced depends on the number of months for which they will receive benefits while still under 65. A worker who retired and claims his benefits as soon as he reaches 62 will qualify for 80 per cent of the amount that would be payable to him at age 65 based on his average earnings up until his retirement. If he waits until he is 63, he will get 86-2/3 per cent of his full benefit; and if he waits until 64, the amount will be 93-1/3 per cent.

The reductions are figured so that a person may expect to receive, on the average, about the same amount if he takes reduced benefits beginning before he is 65, or waits until 65.

Members of the immediate family of a retired worker can get dependents' benefits if the worker retires at 62 or if he waits. Eligible dependents include a wife 62 or older, or a wife at any age if she has in her care children who are eligible for benefits. The child of a retired worker is eligible if he is under age 18, or if he has been totally disabled since childhood.

The Committee on Finance of the Senate, in recommending this change in the law, said "The provision of benefits at age 62 for men will help to alleviate the hardships faced by that group of men who, because of ill health, automation, or other technological change, are forced into premature retirement before age 65."

For more information about this change in the law and the other changes made by the new amendments to the law, contact your nearest social security office. Men 62 to 65 years old who decide to take their social security benefits now instead of waiting can also apply for those benefits at their social security office. The office at 761 South Van Ness avenue, San Francisco, serves residents of Daly City, Colma, and Pacifica.

SPORTS

Hughes Texaco, DC Drugs, PAL Yanks Hold Rec Leads

Results of games played and team standings up to and including June 30:

Westmoor Division Midgets

The PAL Yankees crushed the PAL Giants last week, 20-0, as Stanley of the Yankees allowed only three hits in his shutout. Gibean rapped out three for four to help the cause, and Pacci smashed out a grand-slam home run. Snow, Giant pitcher, received poor support from his teammates, who committed six errors.

Shutouts were in order this week as Mike Carper of Totos turned in a 16-0 shutout over OLPH. Carper hit a triple with a full house. Germano had three RBI's and Grossman hit two for three in Totos' victory.

Jefferson Division Midgets

In the Jefferson Division, the PAL Redsox moved into a tie for second place by winning two games this week. Larry Black was the big man for the Redsox in their win over Visitation with three for four, five RBI's and a home run. PAL Redsox 8, Visitation 5. Later in the week, Ricky Grosse, pitcher for Parkmerced, fell victim to the Redsox. After striking out the first nine batters, the Redsox got his range. They blasted out 13 hits for 13 runs as they won, 13-1.

Junior League

Daly City Drugs knocked over Colvin BYA this week, 16-2. Tringale of the Drugs allowed two runs but no hits. Tom Snodgrass was big man at the plate for the Drugs, two for three. Big Eddie Roseborough of Parkmerced duplicated Tringale's feat by throwing a no-hitter against OLPH but allowing two runs—Parkmerced 5, OLPH 2. Boal and Pike accounted for the two Parkmerced hits. Fireball Mahoney, PM catcher, threw three men out attempting to steal.

OLPH came back to down Lagomarsino Juniors, 6-1. Dan Drew of OLPH slammed out three for three and Richard Graham did not allow a single Lagomarsino hit.

New Pisa shaded Tower Market, 6-3. Cabral hit .500 for New Pisa and Joe Richmond allowed only three hits.

There will be a coaches' and managers' meeting on July 10 at the War Memorial Community Center, 7:30 p.m. This meeting will be an organizational meeting for the second round of Junior Baseball. Teams interested in entering should send a representative.

Results and standings as of June 30:

Late Baseball Results

Weekend scores for the Junior League show the Daly City Drugs shutting out South Sunset, 6-0; OLM Gaels blanking New Pisa, 5-0, and OLM Gaels defeating South Sunset, 10-3.

The two weekend games in the Westmoor Midget League resulted in the BYA Blazers blazing the Misrack Mustangs, 11-3, and the BYA Dodgers winning a close one over the OLM Cubs, 9-8.

The Jefferson League saw the Misrack Cardinals defeat the BYA Bullets, 10-2, and the BYA Tigers winning over OLM Cardinals, 5-1.

PAL Benefit Bowl 'Celebrity Day' Fri.

The general public is invited to attend "Celebrity Day" for the Third Daly City Police Athletic League Benefit Bowling Tournament Friday, July 7, 1:30 p.m., at Swanson's Westlake Bowl.

Festivities will commence with a buffet at noon, followed by initial fund-raising activities to help the youth of Daly City.

Proceeds from the tournament are used exclusively to support the Police Athletic League teams in Daly City in many sports throughout the year.

Police Chief Roland Petrocchi and Benefit Tournamen co-chairmen Jane and John Doelger ask those interested in attending the program this Friday call PL 6-6595, so that an accurate count is made.

Open House Held At Playgrounds Thursday Evening

Last Thursday evening, the Daly City Recreation Department held its annual Open House and Family Night at 10 of its playgrounds.

A good attendance was shown on the grounds to view the arts and crafts projects done by the children and to take a look at the over-all Recreation Program being offered at the different park and school playgrounds throughout the city.

This Open House and Family Night is held each year to better acquaint the people of the community with the Summer Recreation Program and to meet the recreation leader who will be working with the children through the summer months.

There will be two more opportunities this summer for parents to view the Recreation Program in action during the evening hours. These will be on Tuesday, August 22, when a Talent Show for all playgrounds located on the east side of Junipero Serra boulevard will be held at the War Memorial Community Center, and Wednesday, August 23, when a similar show will be held for all playgrounds located on the west side of Junipero Serra boulevard at the Westmoor High School gymnasium.

Donald Wiesner Is Serving On Essex

Serving aboard the anti-submarine warfare support aircraft carrier USS Essex is Donald M. Wiesner, fire control technician, USN, son of Mr. and Mrs. John C. Wiesner of 49 Lake Forest drive, Daly City.

TEASELS SET BY BLIND WORKER

William Dwyer is one of the world's few teasel setters. He works at the Van Huyck Felt Company, Rensselaer, New York. Teasels are small, rough cones that are attached to large drums to rough up cloth and prepare it for printing machines. Mr. Dwyer, who is blind, checks daily on 10,000 of these teasels, which are set on two big drums, with his fingertips, according to the American Foundation for the Blind.

DC'S RECREATION PROGRAM FOR KIDS OFF TO BIG START

The Daly City Summer Recreation is off to its usual fast start. The first week of the program has seen the playgrounds packed with children of all ages eagerly anticipating the benefits of the many facets of the program.

Some of the special activities being offered at the playgrounds this summer are arts and crafts, baseball school, movies, music, baton twirling, archery and tumbling. The time and places of these activities may be obtained by contacting the recreation leader at the nearest city or school playground or by calling PL 5-0850, Ext. 18.

One highlight of the first week's program was the Examiner Baseball School featuring such well-known baseball men as Oscar Vitt, Milt Axt, Con Dempsey, Bob Fatjo and Augie Galan. This event was held at Westmoor High School and attracted over 200 aspiring baseball players to learn the fundamentals from these experts.

Four Drivers Are First Entries For Fair Derby

Four auto racing drivers of the Hayward area make up the first entry team in the Northern California Championship Destruction Derby at the Alameda County Fair, Sunday afternoon, July 16, when 100 cars will be destroyed for $1300 in prize money.

First team to enter is sponsored by Alta Vista Salvage Co. of Hayward and is made up of Dan Kienitz, Hayward; Gil Prevete, Union City; Bob Nelson, San Francisco, and Delbert Fitch, Fremont.

Some of the top professional drivers in hardtop and stock car racing in Northern California will compete in the Pleasanton (county fairgrounds) event, which is being conducted under rules set by the Pacific Coast office of NASCAR (National Association for Stock Car Auto Racing).

Object of a Destruction Derby is to wreck or disable cars driven by opposing teams. There are 25 teams, 4 cars each, on the field at one time. Four periods of destruction, 15 minutes a period, are provided, with the final period running until just one car is still moving. This car represents the winning team. Cars may be worked on during intermissions.

Each driver of the winning team will get $200 cash. The team and sponsor get trophies. Second place award is $400, or $100 per driver. Third prize is $100, or $25 per driver. Veteran NASCAR officials conduct the event and their decisions are final, this ruling to prevent cars attempting to "lay back" and not "mix it up" until the final period.

Entries still are being accepted and NASCAR membership is not required. For entry forms, prospectives should write NASCAR, 2032 N. Pacific Ave., Santa Cruz. Application forms and rules will be returned by mail.

Pleasanton, site of the Alameda County Fairgrounds and the coming Destruction Derby, is in eastern Alameda County, just south of Highway 50.

B'moor Legion Loses Games To Belmont

American Legion Broadmoor Post 824 was dumped twice in two weekend games by American Legion Belmont Post 377. The first game played on a Saturday saw the Belmont Post crush the Broadmoor nine 6-2. A second game played the following day, saw Broadmoor take a beating 12-3.

The first game, played at Claremont High in Belmont, saw Harry Brown as the lead-off pitcher. He pitched 3 2/3 innings, allowing eight hits and five runs. He was relieved by Mike Darbin, after the heat became too much. Darbin hurled for the balance of the game.

Brown got two for two and Bruce Hix got two for three. Darbin allowed three hits.

The following day, Tim Pinnelli pitched for the Broadmoor post for three innings and was relieved in the fourth by Darbin. J. Gore came in during the sixth and pitched the last three innings. Hix got two hits.

TV and Radio

By MONA BAKER

Armed with mirror, eyebrow pencil, lipstick and numerous other "beauty props" we sat down to watch one of the Bay Area's newest local shows devoted to charm and beauty, "The Ross MacArthur Show" which premiered over KTVU last week and will be seen on Wednesdays at 1 p.m.

While busily drawing an eyebrow over one eye, we used the other in the role of a critic, and would like to report we liked what we saw. As we have emphasized many times in this column, television should be utilized to teach and what is dearer and closer to any women's heart than to "learn a lesson in beauty."

Beauty consultant Ross MacArthur carefully explained proper techniques of make-up with actual demonstrations. Particularly effective was the visual explanation with each step illustrated by model-artist Judy Sayer on her drawing board.

As head stylist of Charles of the Ritz, Mr. MacArthur toured the nation for several years, also he was two years in Europe as an associate of Paris-famed Antoine.

This week's program will be devoted to skin care. Be sure to set aside Wednesdays for "your lesson in beauty."

• • • •

Brightening up KGO-TV's day-time schedule is one of the most original ideas on the TV lanes to come along in some time. Each day they feature a "Baby of the Day" whose picture is shown during approximately 30 station breaks during the day.

To enter your little "pride and joy" (must be under 5 years of age) just send your baby's photo to KGO-TV. Winning babies are selected on interest and originality of pose and composition. A local winner last week was Carol Jarvis, 21 Crestwood Drive, Apt. 25, Daly City, whose photo was telecast on June 28.

Two new programs bowed over the radio lanes last week. Premiering over KNBC (Sat., 8:05 p.m.) new debate series presented by San Francisco Chamber of Commerce. Controversial issues facing the Bay Area will be debated each week on the program.

KSFO is offering a new service to boat owners. In cooperation with the U.S. Coast Guard Auxiliary, the station will present reports on wind and sea conditions during morning news broadcasts on Saturdays, Sundays and holidays.

• • • •

NEW PROGRAMS: Good news for the small fry is the return to KQED's schedule of the delightful "World of Wolo" (Friday, 6:15 p.m.,) featuring San Francisco's famed puppeteer. Spotlighting the "old, new, borrowed and blue" premiere program of "Glenn Miller Time" will bow over CBS, KPIX, July 10, 10 p.m.

The Greater New Orleans Bridge, opened in 1958, clears the Mississippi River by 170 feet.

It's SPARE TIME at Westlake Bowl

By JIM GREALISH

Betty Crowley and Marie Bacigalupi are the Powder Puff Queens for June. Betty won the Handicap Division with 597, beating Robbie Johnson by one pin for the title, while Marie took the Scratch Division with a 543 total. Mary Adams took second prize with 485.

The July Powder Puff Derbies will be held at 1:15 p.m. on July 10 and 24. The new prize format has created added interest and increased entrants.

Marilyn Nottingham, efficient secretary of the Southgate Mixed Fives League, reports many high scores in last week's play. George Freyslaben's 258-623 was the highlight of the evening while Alice Field led the ladies with 224-512. With so many P.G.&E. employees in the group, there is a move afoot to consider changing the name of the league.

The girls of the 635 Invitational League really shook up the standings in the Ladies' Division of the PAL Tournament. After last Tuesday's bowling, members of the league had taken over the first six places led by Marge Brown's 682 and Helen Matthews' 667.

Pat Marks and Steve Hargrove received the Vic Dermody Junior Bowler of the Year trophies last Monday evening at the Junior Classic Travel League banquet. Joe Marasco took the high series trophy for his 667 series while John Bartelmez' 265 won him the high game award.

Two of the Westlake teams were in the prize money at Bel Mateo in the Housewives' Tournament as the Late Birds won $13, while the Merry Mixers took home $17.

With the closing date almost a month away—entries continue to mount in all eight divisions of the Family Doubles Tournament. With the large number of entries it now appears that there will be more than one prize in each division.

Friday, July 7, at 1:30 will be "Celebrity Day" for the Third Annual Police Athletic League Tournament now in progress. With local dignitaries, sports figures, Ice Follies starlets, etc., on the invitation list, it appears that a large crowd will be on hand to aid in publicizing this excellent cause. Reservations for group participation in the PAL Tournament may be made by calling Primo Liberatore at PL 6-5777.

Instructor Dick Truesdell reports that two of his classes are exceeding expectations — the Wednesday 10:30 a.m. Brunch Club ladies are rapidly picking up the fine points of bowling while many of the youngsters in the Friday 3:30 p.m. class are approaching league status.

For those adults who must earn a living from Monday to Friday, Dick has arranged Saturday afternoon, Sunday morning and Monday evening classes.

Marge Brown registered her first 600 series last week with a 222 game and a terrific 602 total for three games. Hillie Narin of the B'nai B'rith League continued his red-hot pace with a 222 game and 611 series.

The bowlers of the Daly City area will take a bus trip to Winterland on Tuesday, July 11, to celebrate "Bowlers' Night" at the Ice Follies. There are still a few spots available in the $5.50 "package," which includes a buffet at the Bowl, round trip bus transportation and $4 seats. Primo Liberatore at the Bowl has the available tickets.

El Camino Fuchsia Group Meets Friday

The El Camino Fuchsia Society will hold a regular meeting on Friday evening at 8 o'clock at the Belle Air School, 450-3rd avenue, in San Bruno.

Highlighting the program will be the showing of colored movies on a trip to Canada by Mr. and Mrs. Joseph Kusber. Colored slides on fuchsia culture will also be shown.

Information on fuchsia culture will also be given by the Kusbers as to the proper fertilization to be used at this time. A plant table will be available. Refreshments will be served. The public is invited.

Swimming Booklet On Teaching Kids Is Now Available

"Teaching Johnny to Swim," a Red Cross booklet outlining simple, safe teaching procedures for parents wishing to give their youngsters private pool instruction in swimming are now available at both the San Mateo region and Sequoia regional headquarters of the American Red Cross.

The steps outlined in teaching a child to swim range from basic beginning in which a child is introduced to water for the first time to the point at which he can perform the skills and tests listed for completion of the American Red Cross beginner course. The booklet can also be used as a supplement to swim lessons taken during the summer at Red Cross or recreation department sponsored swim courses.

Further information may be secured by calling the water safety department at San Mateo region, 1449 Bellevue avenue, Burlingame, DI 3-4561, or Sequoia region, 3540 Middlefield road, Menlo Park, EM-6-3851.

Many Activities For DC's Kiddies At Parks, Schools

The various parks and school sites in Daly City have been a beehive of activity during the first two weeks of the Summer Recreation Program.

Olympia School has been having a hotly-contested carrom tournament with Chris Thomas emerging the champion and Steve Greene the runner-up. Other top players giving Chris Thomas a tough battle for his title were Bob Bertolani, Tom Desmond, Larry Jabin and Robin Duorsky.

Picture coloring is also very popular at Olympia School for the younger set, with some very artistic pictures resulting. Some of Olympia Schools top artists are Gary Souza, Tom Desmond, Joan Restino, Donald Gastonova, Tom Gernhardt, Margaret O'Gorman and Betsy Dvorsky.

In a rousing checker tournament at Marchbanks Park, Walter Lobsinger came out on top by defeating Harry Hurtado in a close match. Norman Gonzales placed third, while Judy Hastings won the girls division.
